Rural Carrier Examination.

It is the purpose of the Circl Service Commission to hold a rural carrier examination in this county on Seturday, July 15, 1907. In order that a register of eligibles may be any bound to hold a rural carrier examination in this county on Seturday, July 15, 1907. In order that a register of eligibles may be any bound to hold a rural instructors and supporters. We respectively set that we have to lose the Prof. But we wish him more good fortune that a register of eligibles may be any bound to hold a rural instructors and supporters. We respectively set that we have to lose the Prof. But we wish him more good fortune that a register of eligibles may be any bound to be able to sleep over sending into the able to sleep over sending into the class room he was one of the not be able to sleep over sending into the class room he was one of the not be able to sleep over sending into the class room he was one of the class room he was one of the not be able to sleep over sending into the class room he was one of the class room h Redwine says in this 1906 letter.

and hope to hear of further promotion in the near future.

The Prof., his wife and son will visit the various points of interest in California during the summer mountains and will go to Kentucky than a day in the trial of Martin and that she swore to all to a good hospital where the hose to take up bridge parties of the latter part of August to take up his new position.—Reno, (New Expensition the Mesca of Spring bridge parties of the first part of August to take up his new position.—Reno, (New Expensition the latter part of August to take up his new position.—Reno, (New Expensition the latter part of August to take up his new position.—Reno, (New Expensition to the first part of August to take up his new position.—Reno, (New Expensition to the first part of August to take up his new position.—Reno, (New Expensition to the first part of August to take up his new position.—Reno, (New Expensition to the first part of August to take up his new position.—Reno, (New Expensition to take up his new position to take up his new position.—Reno, (New Expensition to take up his new position to take up his new position to take up his new position.—Reno, wine himself will not dare to deny it.
When he waste that letter to did
not expect it to be made public and
did not think he would get caught.

Another fact that I did not expo in my first article is that Mr. Red-wine wrote to the Prison Board in January 1907, asking them to return to him all the letters he had written in these cases. This was after be had learned how the relatives of Lace Vinson felt about his action. He also requested a letter from Mr. Brown exonerating him from responsibility in the parole. Having been voted for in the last Legislature by Having been Mr Redwine, Mr. Brown no doubt did the best he could for him. I was told at Frankfort by Clerk of the Prison Board that the Board never wrote or asked Redwine to make. statement in these cases.

Mr. Redwine can not deny that he attempted to cover up his work and A deceive us about the part he took. my other article is so worded that is calculated to deceive Fikeville, June 11.—This morning between 2.70 and 4 o clock when the entire town was wrapped in slumber. Such efforts waiting to have the truth brought; out in other ways.

I want to say positively that this thing did not start in this campaign. It started when Charlie Martin was of which is made up entirely of girls, is not seen every day, and these women are said to be very line play. soos on the scene and the large hose out into operation on the outheildings, in an endeavo to save the fine home of Matt Amiek adjoining, at the days home was already downed when the fire was discovered. The nater z Issvis house and its contents were believe every honest voter in this Circuit destroyed and the Amick home was district should have a change to be the content of t district should have a chance to know what kind of a man is asking for votes for the high office of Circuit Judge. Then if they vote wrong they do so with their eyes open. James Vinson

One of Our Products.

One of the biggest, if not the very largest saw log ever taken from the forest of the Rig Sandy valley will be down on the present freshet. It is the property of John Bentley and George Belcher, of Pikeville, who are owners of a large number of logs in the river coming from the Pond
